

HTDD INSTALLATION AND OPERATING INSTRUCTIONS

1. **REMOVE PACKING FOAM UNDER THE ROTATING COLUMN BEFORE USING THIS UNIT!**
2. **TURN THE LED LIGHTS OFF WHEN REPLACING THE DISPLAY TICKETS**

INSTALLATION OF DISPLAY TICKETS IN FRONT ROTATING PART OF UNIT :

1. Remove the top panel.
2. Slide the clear front piece or the black back piece out of the cabinet (DO NOT DAMAGE).
3. Install the display tickets, and reassemble the unit.
Plug in and turn on the LED lights and motor.

LOADING AND DISPENSING TICKET PACKS FROM THE Drawers:

- 1 Unlock and remove the drawer from the unit
- 2 Put the ticket pack in the numbered space that corresponds to the number where the display ticket is on the rotating display
- 3 Slide the beginning ticket through the tear bar assembly where the clerk tears off the ticket
- 4 Replace the drawer in the unit

Guarantee for HTDD

The guarantee is for one (1) year plus one (1) month from the date of shipping. The guarantee will be in effect if the following steps are followed:

1. The unit must be firmly attached to the counter using the double stick tape or the screws that are provided with the unit
2. Original sales invoice must be retained.
